Hartnell College Library

Patricia Klauer

To the Hartnell College 1952 football team, coached by Dick Voris, Henry Franci, and Ed Adams, the 1953 *La Reata* is dedicated. No previous Hartnell team has brought such honor to the name of Hartnell. In any direction — north, south, east, and west — the name of Hartnell College is today better known because of the spirit of the Panther gridders of '52.

COMMISSIONERS had an outstanding year, both on the campus and in their work with the Student Government conferences. Hartnell College delegates were outstanding at both the Fall and Spring conferences with Ken Van Cleave, Dick Johnson, and Randy Blair serving as workshop chairmen for sectional and state meetings. Commission-sponsored Hartnell College Week proved to be one of the most successful projects of the Spring semester.

C.J.C.S.G.A. conference of April 9, 10, and 11, were Ramona Iris, Darlene Clizbe, Balgette Giannini, Davevin Forbes, Wallace Tom Klingensmith, advisors, Miss June Mr. Jerry Gardner.

HC College

Nears E

College Week is over with a class of 50 students enrolling at the Hartnell at the Monterey. From the first in November, 1954, six hundred were in Men's Gymnasium series of students.

After a short session the students will be admitted to the new building. Mr. Evans, in his report, mentioned that

TOM KLINGENSMITH
Staff

the new building may be used for college credit for the necessary amount of time, and

Transfers From Hartnell Rate High At California

Hartnell College transfer rate very high at the University of California, according to records released by President John B. Leemon recently. It was revealed that Hartnell College transfers, through the period from 1946 to 1951, rate higher than transfers from all other junior colleges or any other four-year college or university.

According to this information, if a Hartnell student transferred to the Berkeley campus, he would be on par with the average University of California student and would be rated higher than the transfer student of other junior colleges in California.

The 1950-51 school year proved to be the banner year for Hartnell's transfer students. This was indicated by the following chart showing the upper division subjects taken at the University of Califor-

indicates the grade average attained by Hartnell College transfers. The grade point system for the University is as follows: 4.00 indicates an "A," 2.00 indicates a "B," and 1.00 indicates a "C."		
Anatomy	2.00	1.61
Botany	0.00	1.69

Meets State

of these meeting into effect, since 10. It is noted that as a result of these meetings with the State and neighboring junior college heads of science established for all

of the science faculty of the College engaged in this Mr. Vincent Anselmo.

Efficient Office Staff Boasted

Hartnell College may well be considered fortunate to have such a qualified staff in the administration office.

In point of service, Miss Ada Bassi, secretary to the president, ranks first. Miss Bassi, who has been with the college since 1945, is acknowledged by all who know her as the key personality in most of Hartnell's functions. She not only participates in her regular duties, but assists in many extra jobs that can be done only by such a qualified secretary. She has always performed her tasks with the highest degree of cheerfulness and ef-

Hartnell Alpha Gamma Sigma Honor Group Organized In 1938

Nu Chapter of the Alpha Gamma Sigma, the Hartnell College member, is one of the thirty-three chapters of the California Junior College Honor Scholarship Society.

The local Alpha Gamma Sigma made its opening move in 1938, by contributing the proceeds of the Homecoming Day dance to the Hartnell College Student Union fund. The organization was founded at Santa Ana Junior College in 1921.

Students for the society are elected on the basis of their academic standing for the preceding semester. Students must carry a minimum load of 12 semester units with at least a "B" average and no less than 30 grade points.

Students staying in the club three semesters out of four are eligible for life membership in Alpha Gamma Sigma. All students entering the club must also be recommended for good citizenship and behavior.

Alpha Gamma Sigma has also

club officers over the calendar events and tries to keep har with the various clubs, so when they sponsor any dances, school activities, the dates of conflict with any other plans.

Marching Band

THE HARTNELL MARCHING BAND performed at all home games and also at various outside functions. The band was featured in a downtown parade in Pasadena before the Junior Rose Bowl classic, and later showed its fine spirit while performing with some of California's best school bands at the game halftime.

Concert Band

A WELL CONDUCTED CONCERT BAND appeared at many of the student assemblies and rallies. Band members practiced long and hard under Director Lorell McCann to achieve the success of the 1952-3 season.

College Ensemble

College Choir

A WIDE RANGE of beautiful music was sung by the Hartnell College Ensemble during the 1952-3 year. One of these outstanding singers, Julie Henderson, sang at the Christmas assembly and for many community organizations. Ensemble members are as follows: seated: Edwin Ingersoll, Margie Russo, Joyce West, Oleta Mustain, Julie Henderson, Cleo Strong, and Jim McClung; standing: Rudy Sun, Ed Friar, and Ronald Howe.

THE HARTNELL COLLEGE CHOIR, under the direction of Mr. Vahé Aslanian, sang before student body assemblies and also for local clubs during the school year. The college vocal group presented a program in the United Presbyterian Church of Salinas during the Christmas season. This program was well received and clearly showed the efforts of the choir and its director.

Winter Ball

THE KNIGHTS OF PYTHIAS HALL was the scene of the annual Winter Ball. Held in January, the event was well attended and enjoyed by the students. A half hour of dance music was broadcast over the Salinas station with Student Body President Ken Van Cleave at the microphone.

The cloud that cried balloons

Ipana smiles

Sadie Hawkins' Day

And they're off!

Naughty Nan nabs her man

Looks like you're up a tree, Lutz

HARTNELL'S SADIES took over the campus and all male students on Sadie Hawkins' Day, March 27. Joyce West and Arland Conner were crowned King and Queen at the dance held in the Men's Gym in the evening. Dogpatch clothing and manners were the rule for the event sponsored by the Associated Women Students.

Spring Prom

THE SPRING PROM, held late in May, was enjoyed by all. Good food combined with good music helped to make the only formal dance of the year a success.

Would you?

Would I!

HAROLD HARRIMAN

It Was A Wonderful Season

THE 1952 HARTNELL COLLEGE PANTHER FOOTBALL TEAM rose to heights never before reached by any previous Panther grid aggregation. No other Northern California junior college team has been so signally honored as were popular Dick Voris and his football stalwarts at the conclusion of the regular season of 1952, when Hartnell was invited to represent the West in the Junior Rose Bowl on December 13, in Pasadena.

Pasadena's invitation came on the heels of the Thanksgiving Day victory over Monterey Peninsula College. This all-important win was the tenth consecutive triumph for the crashing Panthers who left in their wake victims of their aggressive, powerful, adroit blocking and devastating gang tackling. Decisive and significant victories were registered against East Contra Costa and Menlo of the north, with the former otherwise unbeaten during the season, and Riverside of the south. Five teams were held scoreless by the Panthers, who allowed only 78 points, while amassing 280. Hartnell remains undefeated in the last fourteen games, dating from the final three encounters of 1951.

Naturally, the high point of the season was the Junior Rose Bowl game. Residents of the Hartnell College area followed the team to Pasadena on a special train or by automobiles. Those who saw the contest, and there were few students who didn't, will never forget the closing minutes of that game. The Bacone Indians were ahead. Hartnell marched the length of the field and made a desperate final pass for a touchdown as the gun went off ending the game. The pass was incomplete, but only because of interference. On the penalty play, after the game time was over, the tying touchdown was scored.

Junior Rose Bowl Heroes

From the opening game with Fresno Junior College, which the Panthers won by a 6-to-0 score, the tempo of Hartnell's exciting season increased with each passing week. It reached its storybook climax in Pasadena's famed Rose Bowl where the Maroon and Gold performed the almost impossible in the last two minutes of the Junior Rose Bowl classic. The 20-to-20 tie with the vaunted Bacone Indians will be a lifetime memory for the players and fans.

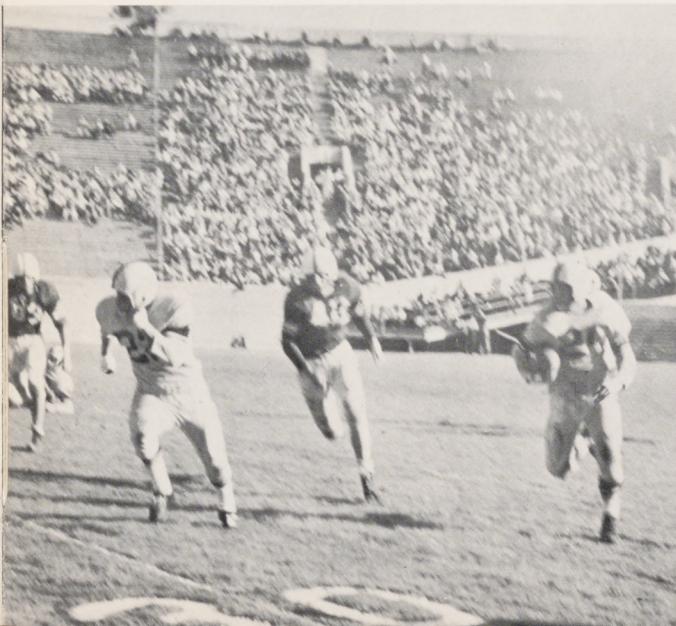

The perfect touchdown play, a pass from Arlin Dillard to Tony Teresa, from the 15-yard line, took place seconds after the final gun had sounded. It climaxed a 99-yard drive as well as Hartnell's most spectacular football season.

Hartnell and Bacone shared the honor of being the mythical national junior college champions for the 1952 season. Both teams were unbeaten.

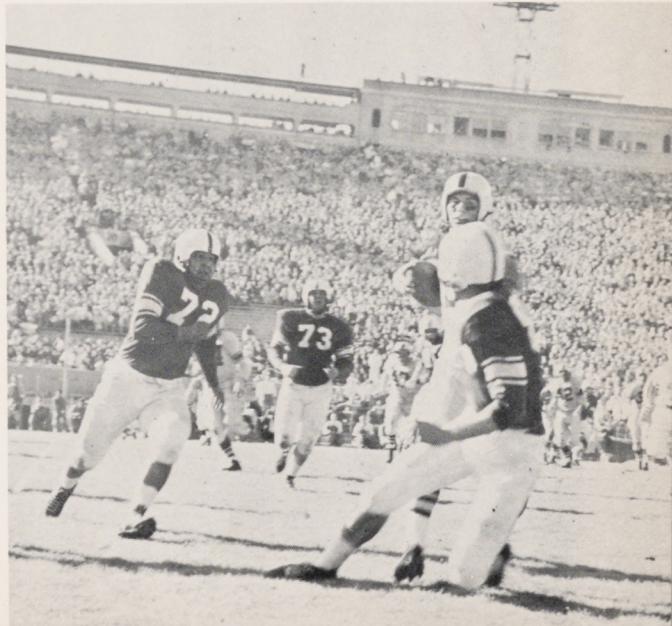

Salinas followers turned out in crowds to welcome the returning Junior Rose Bowl heroes. There was a series of banquets honoring the team and coaches for the next few days, and the coaching staff spent the rest of the year showing films of the Pasadena contest to various clubs and organizations in the Hartnell College area. Hartnell followers will still be talking about the Junior Rose Bowl game many years from now.

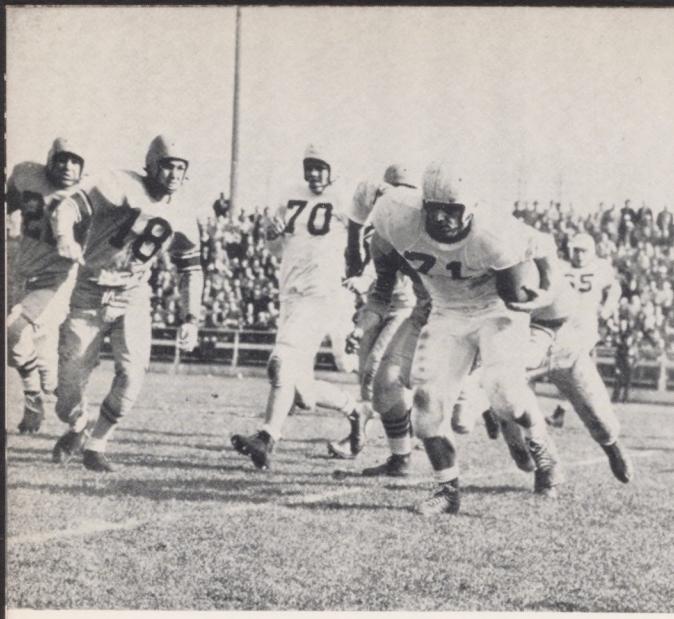

There are those, however, who are already looking forward to the 1953 season. Coach Dick Voris will have many of his championship team back and several high school stars, anxious to play with the champs, are expected to enroll in the fall.

Basketball Fortunes In A Slump

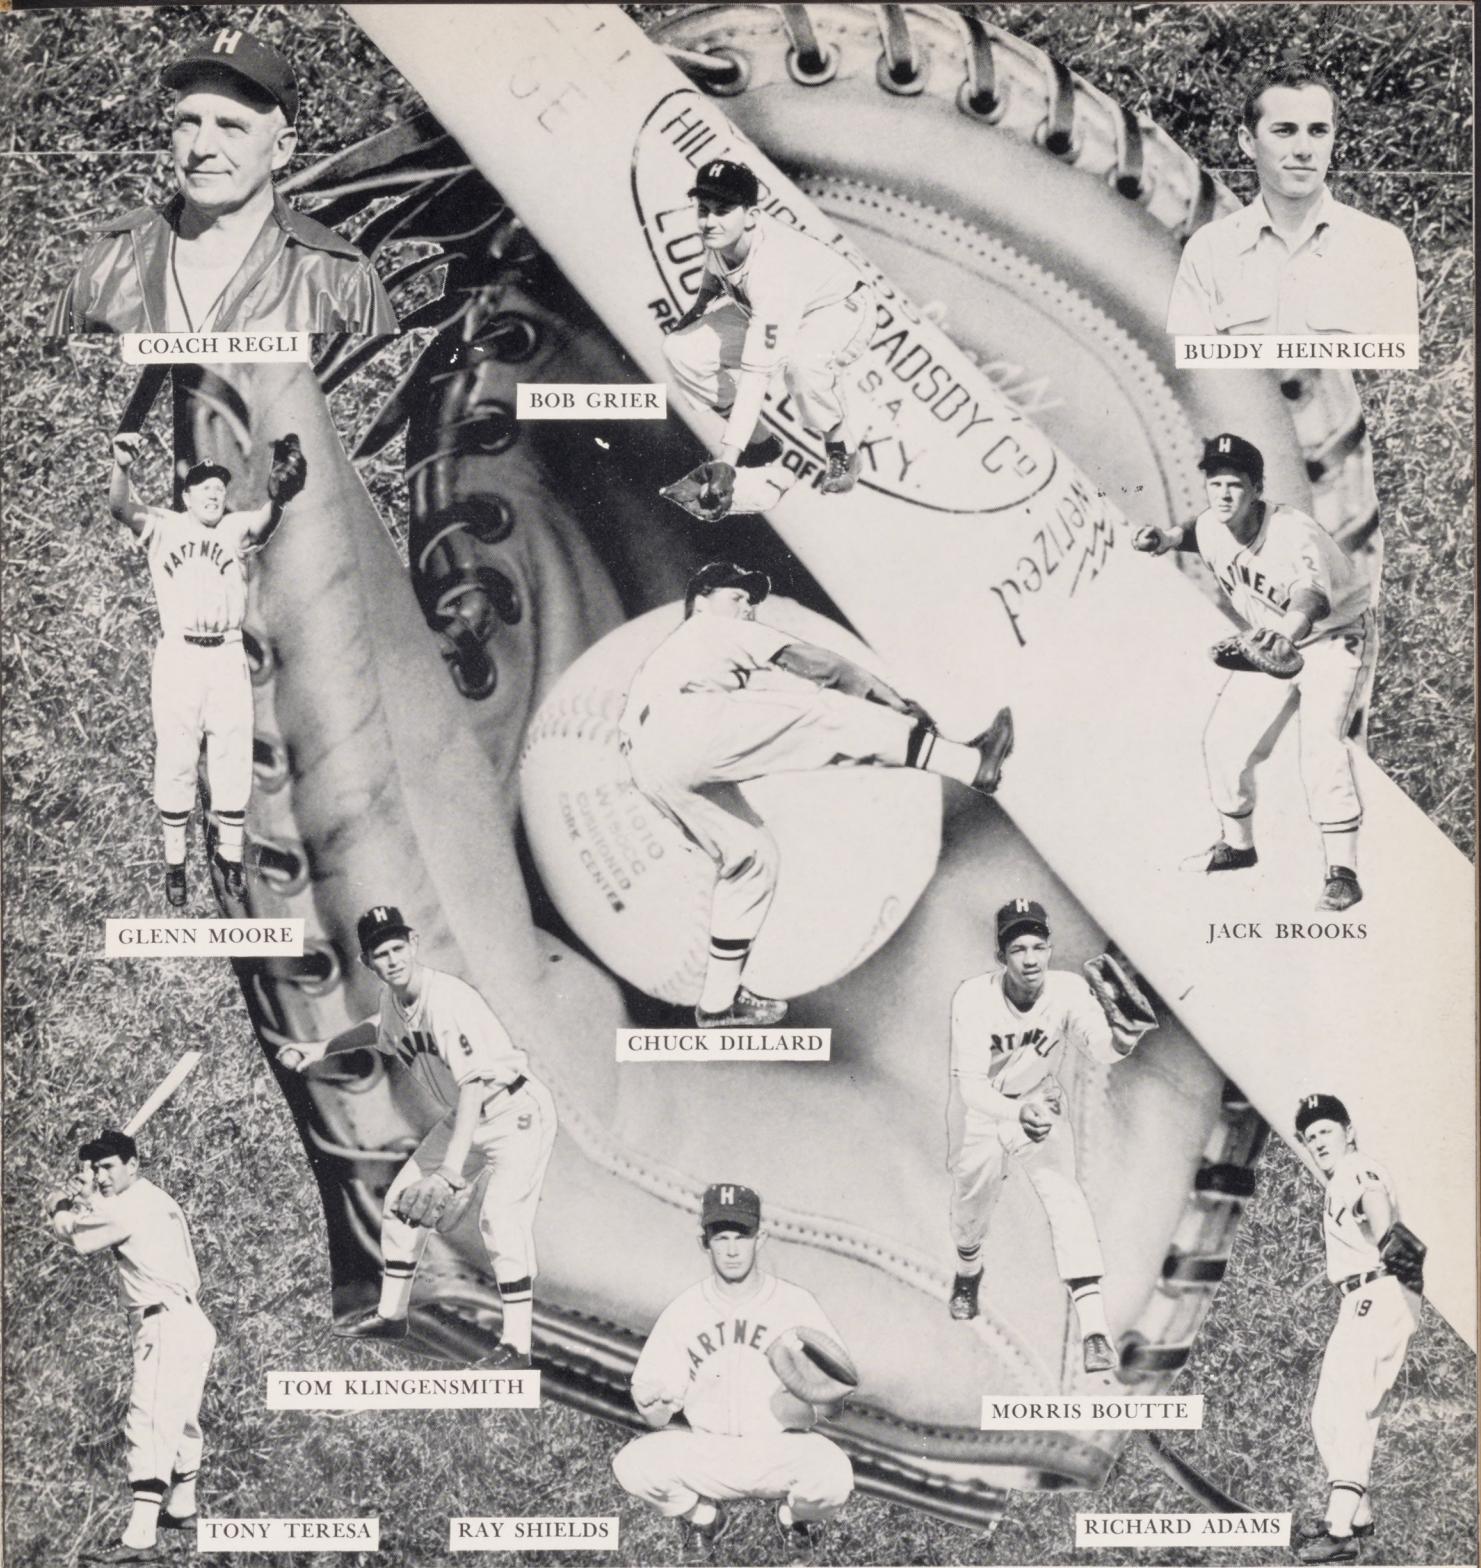

BASKETBALL FORTUNES at Hartnell College hit a low ebb during the 1952-3 season with the Panther five winning only ten of its thirty games. The performance of this "almost, but not quite" squad was plainly a let-down after four consecutive seasons of championship, or near-championship material.

For the first time in five Small College Tournaments, staged by Hartnell, the maroon and gold failed to reach the finals. Shasta College won the tourney. By the time league play opened, with three football players worked into the top six men, there was talk of Hartnell being a "dark horse." But alas, hopes failed to materialize.

Menlo's champions and runner-up East Contra Costa each bested the Panthers in all three contests. Third-place Marin bowed to Hartnell only once. Cellar-dwelling Monterey Peninsula College provided the bright spots of the season by losing consistently to the fourth-place Panthers. Monterey has yet to win a basketball game from Hartnell, after thirteen contests.

Jim Ledgerwood, 6-foot forward, was the only returning ball player. He was valuable as a pointmaker and steady influence. Leon Snider, a transfer from College of the Sequoias, completed his junior college career. Clive Bullian, one of the grid trio, showed up well as a guard. Bob Larson, 6-foot 5-inch center, played his first season, was high scorer, and was heralded by Salinas fans as the best center in the conference.

Tony Teresa and Bill Smith were both talented and speedy, but being freshmen lacked experience for the tough Coast Conference competition. Reserves who looked good and plan to return next season are Al Baguio, Charles Olson, and Bob Brune. Coach Ed Adams is looking forward to next year.

Baseball

FOR THE FIRST TIME Hartnell College baseball players won the Coast Conference of the Northern California Junior College Conference. It looked like the winning ways of the football team had carried over into baseball and that the Panthers might win a state title. In the playoff with Grant Technical Junior College of Sacramento, Coach Jess Regli's champions dropped a heartbreaker by a 7 to 6 score.

In winning the Coast Conference championship the Regli men won all but one of their conference games. It is difficult to pick out outstanding players in a championship year for all of the men on the small squad did their best. Coach Regli said that Jack Brooks, the lone veteran, is one of the most versatile ball players produced by the college.

Track

ALTHOUGH COACH DICK VORIS didn't have many men out for track, the group that did participate made a good showing for the first meet of the year. Before *La Reata* went to the printers, the Hartnell track men had scored a 90-to-32 victory over the Monterey Lobo squad. The runners were the principal point getters with Carl Cookson, Dick Estrada, and Glenn Winters out in front. Field men like Bob Larson in the high-jump, Irv Verret in the pole vault, and Taylor Burton in the shotput and discus added more points.
